Subject: Nomination for International Prize for Biology

1012 A 102 D

Dear Sir,

An announcement for the International Prize for Biology has been made by the Japan Society for the Promotion of Science (JSPS) in Bangladesh to promote cooperation in the fields of Biology of Environmental Responses.

In this regard, BAS will receive applications in a prescribed form available in the website (http://www.jsps.go.jp/english/e-biol/index.html) from promising scientists working in the field of Biological Sciences. All applications received against the Call will be peer reviewed by an expert committee constituted by BAS and will be evaluated on the basis of intellectual merit, creativity and innovation, feasibility of approach, applicant's scientific credential, complementarily and scientific deliverables/expected outcomes keeping in view the national needs towards human capacity building in areas of science and technology.

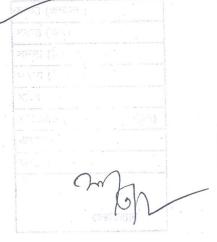

You are being kindly requested to send your nomination (both hard and soft copies) to the Academy positively by March 31, 2020. The applicants may also apply through proper channel directly to Secretary, BAS.

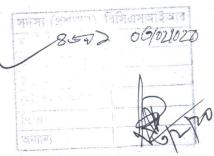

Best regards,

Professor Dr. Haseena Khan

Secretary

in Biology (a) Committee on the INTERNATIONAL PRIZE FOR BIOLOGY

Japan Society for the Promotion of Science 5-3-1 Kojimachi, Chiyoda-ku, Tokyo 102-0083, Japan E-mail: ip-biology@jsps.go.jp

10 January, 2020

Dear Sir / Madam,

The International Prize for Biology was instituted in April of 1985 by the Committee on the International Prize for Biology. From its establishment, the Prize has commemorated the 60-year reign of Emperor Showa and his longtime devotion to biological research. Now it also pays tribute to the Emperor Emeritus, who has striven for many years to advance the study of gobioid fish taxonomy, while contributing continuously to the development of this Prize. The award ceremony will be held in the presence of Their Imperial Highnesses Crown Prince and Crown Princess Akishino. The Prize, consisting of a medal and an award of 10-million yen (Approx. US\$91,000 at ¥110/dollar), is given to the selected recipient every year.

The Committee has chosen "Biology of Environmental Responses" as the specialty for the 2020 Prize. For further details please refer to the enclosed leaflet.

In this regard, I would like to invite you to nominate a recipient for the 2020 Prize. Please go to the International Prize for Biology Awards page at the Japan Society for the Promotion of Science website (http://www.jsps.go.jp/english/e-biol/index.html), download the nomination format, type the necessary information in English in the prescribed forms and send them to the secretariat by email no later than 10 April, 2020.

If you have colleagues with specialized knowledge of this year's theme (Biology of Environmental Responses), I would very much appreciate your asking them to nominate a candidate via our above website. Please contact the secretariat in advance if you have further inquiries.

For more about the International Prize for Biology, please refer to the attached materials.

Thank you in advance for your kind cooperation and excellent nomination.

Sincerely yours,

Peruhiteo Bep

BEPPU Teruhiko

Chair
